## GOAL OF ACCESSIBILITY FOR ALL

Kleer desires to provide a positive user experience to all of our users, and we aim to promote accessibility and inclusion. Our goal is to enable our users to successfully gather information and transact business through the Kleer Services.

## ONGOING EFFORT

Kleer intends to implement accessibility features in future product releases as we grow. Kleer is reviewing a variety of accessibility features that may be offered on this website, such as assistive technologies like a screen reader, a magnifier, voice recognition software, or captions for videos. If Kleer implements these important website enhancements, we will reflect any changes here within our Accessibility Statement.

## THIRD PARTY WEB SITES

The Kleer Services may contain links to web sites hosted by third parties. Kleer does not make representations with regard to the accessibility of third party web sites and is not able to remediate accessibility barriers on such web sites.
